

Sagaci Research
Market intelligence across Africa

Do you struggle to obtain top quality
market data customized to your needs?

Sagaci Omnibus

Your access to quick and cost-efficient representative surveys in Africa

November 2018

What is the Sagaci Omnibus

Top quality
representative face
to face surveys in
Africa

You launch your
own questions to a
sample of 1.500
people

You pay by the
question, depending
on the number of
questions proposed

You receive your
results in 5 weeks

Who is it for?

- Consumer goods companies
- Banks and insurers
- Pharmaceutical companies
- Media and advertisement companies
- Consulting firms
- NGOs and institutions

How will you benefit

Customization

Define your own questions

- Sagaci Research allows you to define the questions that you want to launch and the countries in which to launch them

High quality data

Obtain representative & quality checked results

- Sagaci Omnibus achieves representativeness of all relevant segments (urban and rural) by conducting 1500 interviews per country
- Sagaci Omnibus follows strict quality procedures: all interviews are controlled and 20% of them are back checked

Cost-efficiency

Pay by the question

- Sagaci Omnibus shares the set-up costs with other clients, allowing lower prices than a stand-alone study
- The pricing is based on the number and type of questions included

Speed

Have results in 5 weeks

- Sagaci Omnibus offers a 5 weeks turnaround from questionnaire sign-off to submission of the deliverables

What can you use it for

Understand consumer behaviour
Uses & attitudes on products or activities

Test brand awareness
Yours and that of your competitors

Measure advertisement recall
Of your recent promotion campaigns

Poll public opinion
Measure opinions on specific topics

Track and evaluate your campaigns

About Sagaci Research

Sagaci Research is the leading independent market research and market intelligence firm dedicated to African markets.

Founded in 2012 by former consultants from The Boston Consulting Group (BCG), the company has offices in all key African cities, and operates across more than 20 countries in the continent. Sagaci Research conducts field research studies and publishes reports and databases on retail and consumer goods topics that provide an up-to-date in-depth understanding of the main sectors in the region.

Sagaci Research is the exclusive supplier of high-quality data and information on African economies for leading multinational companies and investors.
